“Braziers Park has been founded as a permanent college for those who wish to understand man’s place and part in nature, to discuss with others the social and ethical aspects of his continuing development, and to co-operate in working out, wherever possible, the principles that may facilitate constructive action in the world today.” *J. Norman Glaister, M.B., B.S. 1950*

To be part of the development of Norman Glaister’s philosophy & its effect on procedures in use at Braziers you may join as an Associate of Braziers Park. You will receive notice of & be invited to various meetings and seminars to discuss the advancement of these ideas.
