

LODGER ARRANGEMENTS

Living at Braziers Park

- A 'License to Occupy' agreement is arranged between the lodger (resident) and the Committee of Management.
- For the private room and use of residents' facilities, a payment of £383.07 is required each month.

Domestic & Food Arrangements

- We all must also share in the cooking & cleaning arrangements, either by using the weekly rota or morning meetings to volunteer to do a minimum of three slots of both/each.
- You hold responsibility for maintaining the cleanliness and good-standard of both your room, and whatever facilities you are using.
- Lunch & supper are usually eaten collectively, with one or two people cooking these meals. It is not possible to cook individual meals in the main kitchen.
- Food is costed at £2.50 for a half-day's food (b'fast & lunch / snack & supper), £5 for a whole day's.
- We use a weekly meal-list in the kitchen to notify which meals we will be taking, and this is then used for appropriate invoicing of food.
